*"The NAIOP NJ Lifetime Achievement Award...our highest honor...recognizes an individual who has a distinguished and longstanding record of exemplary service to the industry and community, as well as significant personal accomplishments."*

L. Robert Lieb, Chairman and Chief Executive Officer of Mountain Development Corp., is a General Partner or Managing Member in all of the company's affiliated projects. Bob founded Mountain Development Corp. in 1979 having formerly practiced law in New York and New Jersey. In 1971 he co-founded the law firm of Lieb, Wolff and Samson, (now Wolff and Samson) a "Top 20" firm in New Jersey. For the past 25 years, he has devoted his primary activities to the development, construction, rehabilitation and management of office, retail and industrial real estate projects, primarily in the Northeast, comprising a portfolio of office and enclosed mall retail projects aggregating approximately four million square feet. Read more about Bob Lieb and Mountain Development Corp. [here](#).

In his 28 years as a NAIOP NJ member, Bob has volunteered his own talents and his firms' resources for the good of the association and the industry over and over again, from supporting the Developers Political Action Committee to contributing to our Community Action Projects.

Both of the firms he founded, Mountain Development and Wolff & Samson, have been honored with NAIOP NJ Commercial Real Estate Awards for their impact on and service to the industry.

*"The Gala is a most impressive annual industry event. We celebrate the best of our industry, solidify our current clients and make new contacts. It is a classy event filled with excitement and tons of networking opportunities."*
